

# Follow a torch

Name \_\_\_\_\_

Edison has two light sensors.

The light sensors let Edison see light.

The barcode below has a built-in program.

The program makes Edison follow the brightest light.

## Read the barcode

Put Edison on the outline below.

Press the record button (round button) three times.

Edison will drive forward and scan the barcode.

## What to do with Edison

Put Edison on the floor or table.

Get a flashlight ready.

Press the play button (triangle button).

Now shine the flashlight at Edison.

Edison will follow the flashlight around.

## Activity

**Create a road map that Edison can drive on.**

You could make a map of your town, a busy city scene, or have Edison help on a farm.

Using a large piece of paper, draw or paint any design you like.

Scan the barcode with Edison.

Get a flashlight ready and put Edison on the floor. Press the play button (triangle button). Then, shine the flashlight at Edison.

Use the flashlight to get Edison to drive around the map.
